

2012 Sales Flyer

Please find updated pricing and detailed information on a few of our most popular items. Some of these items include coveralls, nitrile gloves, dust masks, respirators (full face and half face) and ZipWall kits. Call for pricing on additional items.

HALF AND FULL MASK RESPIRATORS

Use against a variety of gases, vapors and particulate hazards according to NIOSH approval. It's cost-effective and can be washed and reused many times. The respirators are lightweight with easy to adjust headstraps and very easy to use-no retainer or extra parts needed to attach the filters/cartridges to the facepiece.

Half Face - \$14.75 Full Face - \$113.95

N95 PARTICULATE RESPIRATORS

The N95 Series particulate respirator is available with or without an exhalation valve. The respirator uses a molded nose bridge with soft foam nose cushion which provides the wearer an easy comfortable fit. There's no metal noseband to adjust and the seal is maintained without pressure points. The shell resists collapsing, even in heat and humidity so the respirator holds its shape longer. The result is fewer respirators used and lower costs. The N95 with exhalation valve keeps workers cooler by reducing hot air build up. There's less breathing resistance and workers don't have to break midshift to cool off.

N95 without exhalation valve (20 box) - \$22.95 N95 with exhalation valve (10 box) - \$26.10

NUISANCE DUST MASKS

The nuisance dust mask provides relief from irritation of non-toxic, nuisance dusts. An adjustable nose-piece contours to fit individual facial features. This mask is effective for pollen, common household dust and cut grass. **Nuisance Dust Masks (50 box) - \$8.02**

ZIPWALL 7' SELF ADHESIVE ZIPPERS

ZipWall makes an easy doorway through plastic barriers. Engineered with large sturdy easy-slide teeth, the ZipWall has the smoothest glide available and is made with 2-sided pulls for easy entry/exit to or from the barrier. **ZipWall 7' Zippers (2 pack) - \$13.23**

GREEN NITRILE GLOVES

The green nitrile 13" flock lined 15 mil glove includes sandpatch finish and straight cuff. A special nitrile compound resists cuts, punctures and abrasions and provides chemical and degradation resistance superior to rubber and neoprene in most solvents. The embossed texture improves grip for easier handling of wet or slippery objects. These unlined gloves provide exceptional dexterity and the curved fingers with contoured palm help reduce fatigue. **Green Nitrile Gloves - \$1.83 pair**

BLUE NITRILE INDUSTRIAL GLOVES

Industrial grade blue nitrile gloves are offered in 4 mil/8 mil, powder/powder-free. They feature textured finger tips and include 100 ambidextrous gloves per box (10 bx/cs). These gloves are available in S-XL. **Blue Nitrile Gloves (box) - \$8.50 or (case) - \$78.50**

DISPOSABLE COVERALLS

Microporous Film Laminated to Spunbound Polypropylene Disposable Coverall

Available in sizes Medium-4XL, these coveralls are a good unabraded barrier garment for non-hazardous dry particles and liquid splash in general industrial environments. These white coveralls are available in 4 options: attached hood and boot, attached hood and elastic ankle, elastic wrist and ankle and open wrist and ankle. **Microporous Coverall (case of 25) - M-2XL \$69.00 +\$3 per case for 3XL and 4XL**

SMS Disposable Coverall

Available in sizes Medium-4XL, these coveralls offer an excellent quality material that is strong and durable while offering excellent breathability. These white coveralls are available in the same 4 options are above. The coverall can also be purchased in blue for the attached hood and boots and elastic wrist and ankle options. **SMS Disposable Coverall (case of 25) - \$59.16**

Polypropylene Disposable Coverall

Available in sizes L-4XL, these coveralls are made of a breathable lightweight spun-bonded polypropylene material for light applications on a budget. These white coveralls are available in the same options as the above coveralls but also come in a light, medium and heavy weight.

Polypropylene Coverall (case of 25) - \$23.50
